GADGETS

A BRIGHT LIGHT.

TOR25 | ECO KNICKLICHT MICRO

Torch with rotating head, multifunctional: work/safety/and headlight, 5 light functions, front light: 100% light + 50% light + 30% light, red light, fast flashing red light, light head can be rotated by up to 90° for optimal illumination, mini power glow stick: 100% = 500 lumens, magnetic base, SMD LEDs, rechargeable via supplied USB-C cable, charging indicator, including headband for headlamp function, 800 mAh lithium-ion battery, environmentally friendly as it is rechargeable, aluminium, black

Design: TROIKA Design Werkstatt

88 x 26 x 26 mm, 73 g

Max. advertising space: 17x5 mm

The compact and powerful ECO KNICKLICHT MICRO torch impresses with its versatility and is ideal for any work situation or safety requirement. With 5 different light functions, including red and flashing safety light, it always provides the right illumination. The 90° rotating light head enables optimum illumination at any angle, while the magnetic base fixes the lamp hands-free, for example on the bonnet or other metallic surfaces. Thanks to the rechargeable 800 mAh lithium-ion battery (via USB-C cable included in the scope of delivery), the lamp is sustainable in use. The robust aluminium housing and the supplied headband for the headlamp function make it the ideal companion in any situation.

SUSTAINABILITY - WE STICK TO IT!

We look back with pride at our EcoVadis Silver Medal from 2023 – a testament to our commitment to sustainability. But we won't rest on our laurels! We are currently undergoing the evaluation process for 2025 to measure our progress and continue integrating sustainable practices. Our goal remains clear: to consistently strengthen environmental compatibility and social responsibility as integral components of our corporate philosophy.

TROIKA®

ecovadis
WWW.ECOVADIS.COM

WHAT IS AN ECOVADIS MEDAL?

An EcoVadis medal is an award given to companies for their advanced achievements in the field of sustainability.

EcoVadis is a renowned independent evaluation platform that assesses companies based on their environmental practices, ethical business conduct, labor practices, and sustainable supply chains.

OUR COMMITMENT TO SUSTAINABILITY

At TROIKA, we firmly believe that businesses have a responsibility toward the environment and society. That's why we focus on developing and implementing sustainable solutions to make a positive impact.

WHAT DOES THIS MEAN FOR OUR CUSTOMERS?

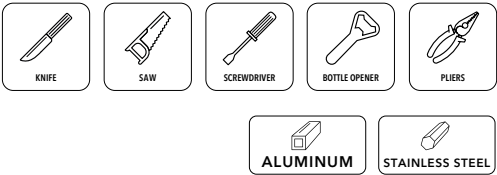

For our customers, the EcoVadis medal means partnering with a company that actively strives for a more sustainable future. We are dedicated to providing innovative and eco-friendly solutions that help make the world a better place.

BIG BROTHER

TOL41 | ARBEITSGERÄT
Multi-tool with 10 functions, integrated spring and locking function, pincers, knife, saw, bottle opener, can opener, slotted screwdriver (3 sizes), Phillips screwdriver, pricker (awl), in Nylon bag with belt loop, wood and metal file, side cutter, 420 stainless steel, aluminium, anodised, matt, grey

Design: TROIKA Design Werkstatt
106 x 53 x 21 mm, 326 g
Max. advertising space: 20x8 mm

LITTLE BROTHER

MULTI-TOOL mini: ready for whatever life brings. This mini multi-functional tool is simply too well equipped. Ten clever functions for everything that can be cut, screwed, filed, clamped, or opened when on the go. Its look and feel: not mini at all, but actually mind-blowing, with a robust finish in aluminium and 420 stainless steel. With clever details such as the integrated spring for the pliers and the sturdy wire loop for attaching the keys.

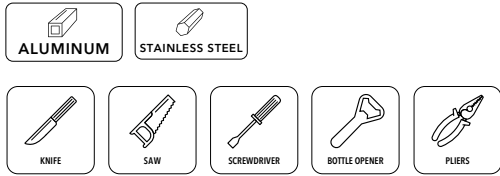

TOL42 | ARBEITSGERÄT mini
Mini tool keyring with 10 functions, integrated spring, wire loop for keys, pincers, knife, saw, bottle opener, slotted screwdriver (3 sizes), Phillips screwdriver, wood and metal file, side cutters, pricker (awl), 420 stainless steel, aluminium, anodised, matt, grey
Design: TROIKA Design Werkstatt

NAIL GUARD

PATENT EP3427606
THE NEXT GENERATION KEYRING.

KR2310 | NAIL GUARD

Keyring, quick and easy attachment of keys thanks to patented opening mechanism, incl. 3 smaller rings also with patented mechanism, gentle on fingernails, stainless steel, polished, matt, silver-coloured

Design: TROIKA Design Werkstatt

35 x 35 x 6 mm, 7.6 g

Max. advertising space: 15x5 mm

We have received the WINNER recognition at the GERMAN DESIGN AWARD 2025 for our innovative keyring with the patented opening mechanism. Both the large keyring and the three smaller rings are equipped with this clever mechanism: a simple press on the patented lock is all it takes to open the ring, making it quick and easy to attach or remove the keys - without the need for broken fingernails or additional tools. With its patented lock, the TROIKA NAIL GUARD sets an example for the keyrings of the future! Made from high-quality stainless steel and with an elegant matt silver finish.

FAST CHARGING, LIGHTNING-FAST DATA TRANSFER

SPEEDY XL - More freedom, fewer restrictions. With a length of 2 meters, this 100 watt power delivery cable brings maximum flexibility to your everyday life. Whether in the office, on the sofa or in bed - the distance to the socket no longer matters! Thanks to the robust woven material made from recycled polyester, the cable is not only sustainable but also extremely durable. Perfect for fast charging and data transfer for smartphones, tablets and laptops (USB-C). The SPEEDY XL cable combines stylish design with practical range for a more relaxed life. Available in three different colors and with additional Lightning adapter.

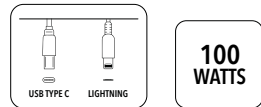

CBL20 | SPEEDY XL
Charging cable high-speed USB-C 100W PD Power Delivery to USB-C, with data transmission function, full charging capacity: max. 100W|20V|5A (without adapter), depending on the device to be charged, with digital display of the charging power, incl. NEW

BUSINESS BAGGAGE

The little companion with the two faces. The hard shell for everything that only becomes important in the hotel, for example, laundry or toiletries. The integrated soft bags for everything you need on the go, for example, business documents, catalogues, travel documents and mobile devices. In the larger compartment, there is even room for a laptop up to 13" in dimension. Both together result in 36 HOURS TROLLEY - probably the smartest case management on four twin lightweight wheels. With numerous partly padded pockets and compartments and telescopic handle. The TSA combination lock for main and compartment pockets can be opened with a master key during security checks (for example, at customs). So there is no danger that the trolley will be broken open without further inquiry. Only 18.5" in dimension - therefore approved as hand luggage. Have a good journey! Using this Travel Sentry® Approved lock allows your luggage to be opened, inspected and relocked by security without damage.

LUG02 | 36 HOURS TROLLEY

Business trolley in hand luggage size 18.5", shock-resistant polycarbonate, with TSA combination lock for main and compartment bag, 47 litre capacity, 4 twin castors (360° rotating), telescopic handle (3 steps height adjustable + fully retractable), removable nylon front part consisting of 3 compartments with zipper: 2 narrow pockets for tickets, cards and pens + padded, deep compartment pocket with 5 compartments incl. 1 compartment with zipper for laptops up to 15" and documents, main compartment with mesh pocket and cross strap for clothes, shoes, etc., hard case: 100% polycarbonate / front pocket: 100% nylon, ABS, carbon coloured

Design: TROIKA Design Werkstatt

370 x 240 x 530 mm, 3200 g

Max. advertising space: 45x7 mm

Beautifully discreet and very practical: the belt bag from the BLACK series. With two zippered compartments for everything that needs to be quickly at hand in everyday business life: Tickets, passport, ID card, driver's license, boarding cards. One compartment with read protection for RFID chips. Made of robust tarpaulin, black.

BBL57 | TROIKA BLACK BELT BAG

Belt bag with 2 zippered compartments, 1 compartment with read-out protection (for RFID chips), suitable for tickets, passport, ID card, driving licence or boarding cards, Water-repellent zippers, splash-proof (IPX4 waterproof rating), tarpaulin: 80% polyester, 20% polyurethane (PU), black

TROLLEY-ORGANISER.

BBL67 | TROIKA BLACK ON TOP

Trolley organiser for attachment to a travel or trade fair trolley, two front compartments for water bottle and smartphone, spacious main compartment with pen loop, inner compartment with zipper, two elastic straps for cable organization, mesh pocket for power bank or business cards, transparent compartment for e.g. tickets, hand strap, water-repellent zippers, splash-proof (IPX4 waterproof rating), tarpaulin: 80% polyester, 20% polyurethane (PU), black

Design: TROIKA Design Werkstatt

210 x 177 x 517 mm, 254 g

Max. advertising space: 60x60 mm

SMART TRAVEL

COMPACT SPACE.

BBL56 | TROIKA BLACK PACKING CUBES
Set of travel compression packing cubes, 3 packing bags with zip closures and additional compression zip closure, for packing clothes wrinkle-free in a space-saving, orderly way in suitcase and backpack, 3 sizes: L (shirts and trousers), M (shirts), S (underwear and socks), each with mesh window and handle, Tarpaulin: 80% polyester, 20% polyurethane (PU), black

Design: TROIKA Design Werkstatt
390 x 270 x 40 mm, 459 g
Max. advertising space: 100x40 mm

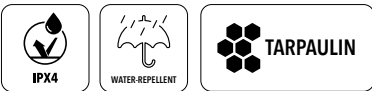

Once the air is out between shirts and socks, there is more space in the suitcase or backpack for other things. The trick: an additional compression zip reduces the volume to just a third. This saves space and keeps things organised. Nothing creases, nothing slips, everything lies firmly and securely in its place. In three practical sizes: L for shirts & trousers, M for shirts and S for socks & underwear. Each with mesh window and carrying handle, made of black tarpaulin.

CLEAN BUSINESS.

NEW

An update on the toiletry bag front: the TROIKA BLACK WASHBAG 2 is the perfect place to store all your toiletries. Hairbrushes, razors, make-up utensils, shampoo, dental care, sunscreen, and, and, and - who wants to do without their usual toiletries when they're on the go? The large (double) zipper compartment with magnetic closure makes it easy to take out everything you need when hanging on the hand strap and store it in the toiletry bag. Doubly convenient: the material is water-repellent and easy to clean. Sophisticated, practical and stylish. Made from hard-wearing Tarpaulin in black.

BBL65 | TROIKA BLACK WASHBAG 2
Toiletry bag, main compartment with wide opening for easy removal, two zippers and additional magnet for closing, two mesh pockets and three elastic straps in the main compartment, additional front pocket, with wrist strap, Water-repellent zippers, splash-proof (IPX4 waterproof rating), tarpaulin: 80% polyester, 20% polyurethane (PU), tarpaulin (tarp), black

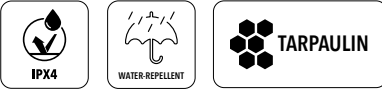

Design: TROIKA Design Werkstatt
320 x 150 x 45 mm, 164 g
Max. advertising space: 100x40 mm

SMART SOLUTION FOR DIGITAL.

BBL30 | TROIKA BLACK CONNECTED
Cable organizer with 2 zippered compartments and water-repellent zippers, 2 inner compartments with mesh pockets and elastic straps for accessories (Every Day Carry), pen loop, 1 outer compartment, Water-repellent zippers, splash-proof (IPX4 waterproof rating), Tarpaulin: 80% polyester, 20% polyurethane (PU), loop for attaching to the trolley, black

Design: TROIKA Design Werkstatt

LIGHTWEIGHT FOR OUTDOOR ENTHUSIASTS.

NEW

This ultra-light roll-top rucksack weighs just 140 grams, but still offers plenty of space for everything you need for your next adventure! Whether for biking, hiking or outdoor sports - the waterproof ripstop nylon with TPU coating keeps everything dry. Practical and clever: the rucksack can be folded up compactly and the pocket is also designed as an inner pocket for valuables so that keys, money and other items are always to hand. With a white inner lining for a clear view and elasticated straps on the outside for jackets, helmets or gloves, everything important is immediately to hand. The adjustable shoulder straps, hand strap and integrated emergency whistle on the click fastener round off the design - for spontaneous tours and the next adventure!

RUC10 | AIRPACK FLEX

Trekking backpack foldable (can be stowed in the inner compartment to save space), ultra-light 140g, 100% ripstop nylon with TPU coating, waterproof, large main compartment with roll-top closure, capacity 18 liters, elastic straps for additional storage of e.g. jacket or helmet, hand strap, adjustable shoulder straps, emergency whistle, nylon, black

Design: TROIKA Design Werkstatt

150 x 90 x 55 mm, 118 g

Max. advertising space: 60x40 mm

SMART TRAVEL

ULTRA-LIGHTWEIGHT.

VISIBLY FOREARMED!

18
LITRES

This quick-change artist weighs just 115 grams and quickly transforms into a backpack with a full volume of 18 litres. Whether it's spontaneous or planned shopping, it can transform into a spacious backpack from its folded state at lighting speed. And: a large main compartment with zip, a small internal compartment with Velcro closure and two outer mesh pockets pack up to 6.5 kg. Adjustable shoulder straps in grey/black and green/black.

RUC0419

RUC04 | RUCKZACK

Max. advertising space: 40x40 mm

BLB03 | REFLECTIVE BAG

Belt bag with 3 zipper compartments, reflective, can be worn over the chest, back or around the waist, main compartment, front pocket, secret compartment on the back, Rubberized zippers, splash-proof (IPX4 waterproof grade), adjustable strap, padded back, 100% polyester, black/grey

Design: TROIKA Design Werkstatt

380 x 85 x 140 mm, 130 g

Max. advertising space: 80x30 mm

This belt bag is made of extremely reflective nylon – safety first when doing outdoor sports in the dark. The bag can be easily stashed away in bad weather – and it's splash-proof to IPX4, with rubberised zip closures. There's a secret compartment hidden in the padding on the back. With an adjustable strap for carrying on the stomach or back, or as a cross-body bag. Grey and black, washable at 30°C.

SMART TRAVEL

WASHBAG.

Robust, spacious, practical: WASHBAG has what it takes to be your favourite travel companion. It has two compartments for razors, deodorant, etc., and two sturdy carrying straps and a rubber strip around the edge for clipping other accessories. There is also a practical hook for hanging it in the bathroom. WASHBAG is made of tarpaulin, a particularly resistant, water-repellent material that is also used for tarps. Just the right thing for the frequent traveller.

BAG30 | WASHBAG
Toiletry bag for men, suitable for hanging up, with zipper and carrying handle, spacious main compartment incl. mesh compartment with zipper and hook for fastening, standing base of different colour, resistant material, washable, 100% polyester, tarpaulin (tarp), black/red

IDEAL ANGLE OF INCLINATION.

The Earth is „round“ and rotates, but it also has a tilt - 23.5 degrees. Our classic globe is true to scale and tilted by exactly 23.5 degrees. With a diameter of 25 cm, a relief map and a high-quality chromed metal base, it is a real eye-catcher. Discover capitals, mountains, countries and oceans for true geographical explorers. Available in 4 different colors.

G2507 | 23,5 GRAD
